Litzisms and Math Helps

Raspberry Problems

$4 - (-5) = 4 + 5 = 9$

Butterfinger Problems

You cannot buy a half a Butterfinger, even if you only want/need half. Must round up to buy the whole bar.

Baby Harold   (reverse PEMDAS)

$2x + 3 = 11$ Reverse the number by itself first (kill baby Harold)

Words Into Math

Words to help you know which process to use, also parentheses words and turn around words

Graphing Inequalities Cheat Sheet

Fraction/Decimal/Percent Equivalents

Heart Problems – draw the heart to know which numbers to multiply

$$\frac{1}{3} = \frac{n}{9}$$

Formula Sheet

Slope Man
